

# NARI'S BUSINESS ON THE LEVEL

## Breakfast Discussions for the Remodeling Professional

## Managing Damaging Moisture

*Miami Valley NARI's quarterly breakfast series features technical topics of relevance to the remodeling professional. The breakfast presentations are no more than one hour in length and feature the area's most noteworthy experts on a variety of topics designed specifically for the business owner, lead carpenter, business manager, sales professional and those interested in growing the remodeling industry. Sessions qualify for continuing education credits and all certified professionals are invited to attend at half price.*

**Tuesday, May 15, 2007**

**8:00 - 9:00 a.m. (Breakfast/Networking begins at 7:30 a.m.)**

**Holiday Inn South | 2455 Dryden Road | Dayton, Ohio 45439**

**\$20 NARI MEMBERS | \$10 CERTIFIED PROFESSIONALS | \$30 NON-MEMBERS**

**FEATURED SPEAKER: John Richardson, CRS | Parksite Plunkett-Webster- DuPont Tyvek**

Mr. Richardson has 30 years experience as a custom home builder, general contractor and remodeler. He is a State of Ohio Remodeling Specialist for DuPont Tyvek., a Vinyl Siding Institute Certified Trainer and an Installation Masters Certified Fenestration Installer. His unique presentation will focus on deterring and controlling moisture intrusion of the building envelope from the roof to the foundation.

That unwanted moisture can create havoc on a structure is obvious. John's presentation will give you tips and information that may help you and your clients save time, money and extreme disappointment. Your profession requires awareness of so many factors, environmental and otherwise, why not take this opportunity to learn the latest in combating the relentless battle to keep the envelope tight?

Join us for this edition of NARI's *Business on the Level*, a presentation designed to contribute to the continuing education of the professional remodeler. This program contributes 1 hour towards the ten hours needed to maintain your NARI certification.
